Dear Ms. Nelson:

This letter is in response to your letter of December, 1 2009. I am asking that you consider this a personal request and under the educational and non-commercial scientific umbrella. I did not specify in my first letter, but I will be using what I am requesting from the Central Intelligence Agency (CIA) to further the education of our public school children in that I will be volunteering in the school to bring history alive for children. By being able to tell the students that I am related to Georig Zhukov and be able to tell them about Zhukov's childhood information that was told to me by [redacted] Jak Lukofsky(born Isak Zukowski from Odessa) and how Zhukov and Eisenhower were great friends and worked so closely together to bring victory in World War II, it will bring history alive and in to the present for the children. This information will give the children a great lesson in tolerance, respect for diversity, and working together for the betterment of the human condition. Teachers have asked me to speak to their classes as [redacted] Zhukov, and it will be important for the schools to see proof that I am related. (b)(6) (b)(6)

I do not need copies of records, private information about Ira Boris Lewis, or knowledge as to how you came about getting your information of a family relation to Zhukov. **All I am asking for is a short, signed, statement from the CIA that Marshal Georgi Zhukov(died 1974) of Russia, is related to EITHER Ira Boris Lewis, or Ira's father, David Lewis(born David Zukowski and died as David Lewis on June 21, 1992 in Fort Lauderdale), or that Zhukov is related to the father of David Lewis, Jak Lukofsky(born Isak Zukowski).**

In determining that Ira Boris Lewis was related to Georgi Zhukov when he was denied acceptance in to Military counter-intelligence in 1952, you must have determined that the above family relationships exist. I only need that you say that either Georgi Zhukov is related to the above reference David Lewis or related to Jak Lukofsky(Isak Zukowski). Once I have a written statement as to this, I can easily show that I am related as well on a personal basis for the sake of the education of public school children.

I will give you all the information I have regarding my above family members. If you need anything further, please let me know. I cannot pay any fees, charges, or costs for reproduction, or any monetary
